CONDITIONS OF SALE

1. These conditions apply to all sales of goods by Tadmarton Products Limited (called TP) unless otherwise agreed in writing.
2. The risk in any goods sold shall pass to the buyer at the time when they have been delivered to the buyer (or its agent) or when tendered but refused.
3. The property in any goods sold shall not pass to the buyer until the price has been paid.
4. The buyer shall pay the price of any goods sold within 14 days from the date of delivery (or any date on which the goods have been tendered but refused) unless a different date has been agreed in writing.
5. If the buyer fails to pay the price of goods by the due date he shall pay interest upon outstanding debts to be calculated with quarterly rests at the annual rate of 4% above Barclays Bank base rate for the time being.
6. If the buyer rejects goods which have been delivered, as not being of satisfactory quality or for any other reason, he shall nevertheless be obliged to pay the price unless:
 - i) he shall have notified TP within 24 hours after delivery
 - and
 - ii) he shall have retained the goods as far as practicable in the same condition as when delivered for collection by TP.
7. If TP has sold and delivered goods which are not of satisfactory quality or otherwise are not in conformity with the contract of sale, TP shall not be liable for any consequential losses of the buyer or damages exceeding the price of the goods without prejudice of the liability of TP to pay damages in respect of personal injury or breach of statutory duty.
8. Time of delivery shall not be of the essence in any sale unless expressly agreed in writing, and the buyer shall not be entitled to refuse delivery of goods or claim damages against TP on grounds of late delivery unless time of delivery is of the essence.
9. 'Satisfactory quality' has the same meaning as provided by the Sale of Goods Act 1979 and subsequent amendments.
